

Tuzio Towel Warmer Controller Programming & Troubleshooting

1 Power On

- 1 Pry the switch door open from the bottom using a small screwdriver.
- 2 Ensure the **ON/OFF** selector is set to **ON**.
- 3 Reset the switch using a paperclip. **0:00** and **MO** will flash.

2 Setting the Clock

- 1 Set the time using the **HOUR** and **MIN** buttons.
- 2 Set the day by using the **DAY** button.
- 3 Press one of the control buttons or close the switch door to return to normal operation.

3 Selecting the Operating Mode

The programmable switch has 2 operating modes: manual (**MAN**) and automatic (**AUTO**). To switch mode, press the timer door for 3 seconds.

Manual Mode

The programmable timer operates as a regular switch. Briefly press the switch door to turn the towel warmer On or Off. The mode (**MAN**) and state (**ON** or **OFF**) are displayed.

Automatic Mode

The programmable timer follows the programmed schedule. The mode (**AUTO**), state (**ON** or **OFF**) and current program number are displayed. To temporarily override the programmed schedule, briefly press the switch door. The new state (**ON** or **OFF**) will flash to show that this state is temporary. The override remains in effect until you press the timer door again or until the beginning of the next program.

4 Programming

You can set up to 7 programs. To set a program, you need to enter its start time (**ON**) and its end time (**OFF**).

- 1 Pry the timer door open using a small screwdriver.
- 2 Press the **PGM** button to display a program and its On or Off time. For example, when you first press **PGM**, program number 1 (**P1**) and its On time (**ON**) will appear. **:-:** will appear instead of the time if the program is not set (inactive).

- 3 Press the **DAY** button to select the day to which you want to apply the program. *NOTE: If you want to apply the program to every day of the week, press **DAY** until all the days are displayed. (This still counts as 1 program, not 7)*
- 4 Press the **HOUR** and **MIN** buttons to set the **ON** time (time when you want the towel warmer to turn on)
- 5 After you have programmed the **ON** time, press the **PGM** button to display the **OFF** time (time when you want the towel warmer to turn off).
- 6 Repeat steps 3 through 5 to program the **OFF** time. If the program **ON** time is set for every day of the week, the program **OFF** time will automatically be set for every day.
- 7 To set another program, repeat steps 2 through 6. Programs that are not set will remain inactive.
- 8 Press one of the control buttons or close the timer door to return to normal operation.

Clearing a Program

Press the **PGM** button until the desired program is selected. Hold the **PGM** button for 3 seconds. **:-:** appears when the program is erased.

5 Troubleshooting

Blank display	<ul style="list-style-type: none"> • Verify circuit breaker at main panel. • Ensure the ON/OFF selector is at ON. • Reset the switch using a paper clip.
Programs do not run as expected	<ul style="list-style-type: none"> • Make sure the switch is properly programmed. • Note that :-: indicates an inactive program, 00:00 indicates midnight.
