Fern
LED Medicine Cabinet

Thoughtfully redesigned from the inside out.

Fern is the first of our LED Medicine Cabinets to bring together a new, refined design, intuitive features, and a more streamlined installation experience.

Convenient Power, Right Where You Need It

The integrated 110V outlet, USB, and USB-C charging ports are now positioned at the bottom of the cabinet, making it easier to plug in and use grooming tools right where you need them.

An Interior That Lights Up

Open the door and the cabinet interior automatically illuminates with a motion-activated light, making it easier to find what you need—even in low light.

Simplified Hardwiring

Fern is designed to eliminate the need for a junction box to be installed during framing, helping simplify the installation process and reducing extra steps for the installer.

Soft-Close Hinges

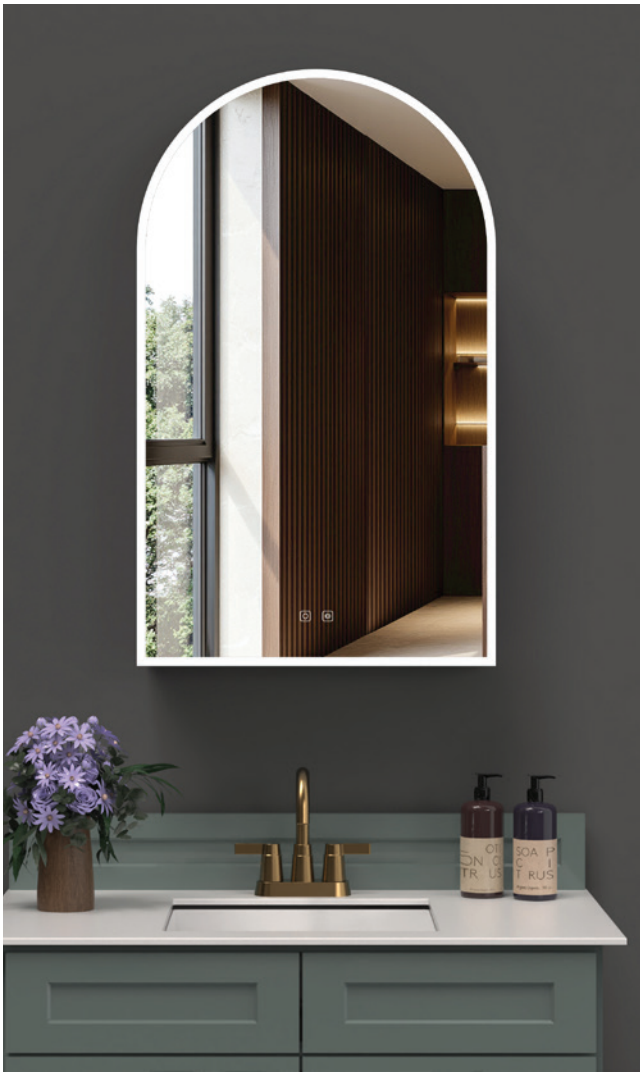

Thoughtfully engineered soft-close hinges provide a smooth, quiet close while adding to the premium feel of the cabinet.

The ICO Standard

Elevated functionality, built into every ICO LED Medicine Cabinet
