# THE SAGE

Staying on trend with green tiles and fluted glass, we also mixed in a classic terrazzo stone to create a stylish yet timeless design in the Sage room.

We wanted Matte Black to be the star of the show in this space, incorporating it on our unique Ortona towel warmer, Lava accessories, and striking two-toned Cavalli vessel sink.

The Accent vanity in White Oak complements the space with a subtle nod to modern design, but doesn't make a statement, allowing for the widely popular Gemma LED mirror to boldly stand out.

# THE DUNE

Tranquility at its finest, the Dune room has a stunning design that effortlessly merges natural materials with contemporary aesthetics. The Sorano towel warmer in Brushed Bronze is the statement piece of this space; it stands boldly and complements the earthy, textured style of the bathroom. The two Kiara LED mirrors match perfectly with their Brushed Bronze finish, reflecting natural light onto the limewash walls.

We love the look of wall-mounted faucets pouring into our stunning Bassini vessel sinks, giving a 5-star experience while washing or grooming. To tie everything together, our Glow accessories in Brushed Bronze complement the rounded features of the faucets and creates a sense of balance in the room.

The walls are a light, textured color, and the overall atmosphere is warm and minimalist.

# THE WALLFLOWER

With the sole purpose to show how our product line can be used functionally and stylishly in any bathroom size/space, this moody, small powder room is anything but ordinary.

Inspired by the wallpaper resurrection and the comeback of dark blues and greens, this was a great opportunity to show-off one of our most stunning finishes – PVD Brushed Gold.

Our immensely popular Cinder accessories complement the square design of the Avento towel warmer, both available in our PVD Brushed Gold finish. And what a great excuse to show-off some of our products that share unique shapes like the Corelli vessel sink and Felix LED mirror.

# THE COVE

Modern, minimal and clean: The inspiration for the Cove room. A mixture of glossy and matte tiles with brilliant chrome finishes creates an elegant and minimalistic space.

To keep the minimal look, we thought a Jackson medicine cabinet would be a great way to hide away storage while still providing a statement with its LED lighting and features. The wall-mounted Coda vanity looks like it was made for this room with the timeless Puccini vessel sink sitting atop.

The Summit accessories in Chrome were a great way to incorporate round finishes to match the faucets and the rounded towel warmer.
