

Unlacquered Brass

ico.

NEW FINISH

Unlacquered Brass is now available
and in stock in the Sorano and
Thames towel warmers.

FEATURES:

Living Finish

Develops a unique patina over time for a naturally aged look

Authentic Material

Made in Europe from solid brass

Easy Care

Can be polished to restore its shine

As a living finish, unlacquered brass naturally develops a patina over time and therefore the finish of the towel warmer is not included in our lifetime warranty.
